MEDIA RELEASE

Report card for candidates in Ivanhoe

Who gets the biggest tick from Reopen Our Schools this election?

ROS President, Sonja Terpstra says, "The major parties have not committed to reopening any of closed school sites, and that's disappointing."

"The Greens, independents and minor parties say we need more schools, but I don't think they'll be in a position to form government."

"Our group wants voters to know what the candidates have pledged, and you can find out on the attached report card."

"I wish I could say it was all 'A's, but there's more 'B's and 'C's."

The report card will allow voters to see who stands for what on public education in our area. As well, it will be kept as a record to see if the winning candidate/party delivers on its promises.

"Not a lot has been promised, but if the winner fails to deliver, we won't let up!" said Ms Terpstra.
